## AMENDMENT

Dear Sir:

This amendment is responsive to the Office Action dated May 31, 2002.

In the Claims:

Replace claims 1, 4 and 5 on file by the following amended claims 1, 4 and 5:

1. (Amended) A method for treating hypertension or for reducing or preventing development of elevated blood pressure which comprises administering to a patient an effective amount of secoisolariciresinol diglucoside (SDG) obtained from flaxseed and having a purity of at least 95%.
4. (Amended) A method according to claim 1 wherein the SDG is administered in an amount of 10-30 mg/kg of body weight in a normotensive patient.
5. (Amended) A method according to claim 1 wherein the SDG is administered in an amount of 1-15 mg/kg of body weight in a hypertensive patient.
